INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Olympic Community Action Programs
Port Townsend, WA

Report on the Financial Statements

We have audited the accompanying financial statements of Olympic Community Action Programs (Organization), which comprise the consolidated statement of financial position as of December 31, 2018, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related consolidated notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organization, as of December 31, 2018, and changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Organization's 2017 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated June 15, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2017, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The supplementary information on pages 19-21 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated August 15, 2019 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

OLYMPIC COMMUNITY ACTION PROGRAMS

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Year Ended December 31, 2018

NOTE 1: NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

General:

Olympic Community Action Programs (Olycap) is a nonprofit Washington Corporation, which serves as a Community Action Agency in conformity with the Economic Opportunity Act of 1964, and the Community Services Act of 1974. Olympic Community Action Programs' principal operation is the administration of government and community funded programs directed towards economic betterment of low-income, elderly, minority, and disadvantaged community members of Clallam and Jefferson Counties.

South Seven Senior Village (the Village) was incorporated in the State of Washington on June 13, 2003, as a nonprofit corporation and owns and operates the Village located in Port Hadlock. The Village began operations in April 2006 and provides low-income housing to the elderly. Olympic Community Action Programs has a majority voting interest in South Seven Senior Village and all interagency accounts and transactions have been eliminated in the consolidation.

The summary of significant accounting policies of Olympic Community Action Programs and its affiliate, South Seven Senior Village, collectively the Organization, is presented to assist in understanding the Organization's financial statements. The consolidated financial statements and notes are representations of the Organization's management who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the presentation of the consolidated financial statements.

Basis of accounting:

The Organization maintains its financial records on the accrual basis of accounting. Revenues on all grants are recognized (accrued) when qualifying expenditures under the grant are made. Grant funds are accounted for as with donor restrictions or without donor restrictions as provided in the particular terms of the respective grant contracts. However, if the restrictions on grant funds are met in the same year the funds are awarded, it is the Organization's policy to report the grant funds as without donor restrictions on the statement of activities and changes in net assets.

Basis of presentation:

Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Without Donor Restriction Net Assets — Net assets that are not subject to donor-imposed stipulations.

With Donor Restriction Net Assets — Net assets subject to donor imposed restrictions that may or will be met whether by actions of the Organization and/or the passage of time. (Note 8)

Comparative Totals:

The financial information includes certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2017, from which the summarized information was derived.

OLYMPIC COMMUNITY ACTION PROGRAMS

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Year Ended December 31, 2018

NOTE 1: NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Liquidity and Availability:

The Organization has \$1,177,674 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditure, consisting of cash of \$519,117 and receivables of \$658,557 as of December 31, 2018. The Organization has \$940,931 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditure, consisting of cash of \$495,965 and receivables of \$444,966 as of December 31, 2017. Of the financial assets, there was \$706,887 and \$551,831 that is restricted for certain programs. See note 8. The rest of the financial assets are not subject to donor or other contractual restrictions that make them unavailable for general expenditures within one year of the statement of financial position date. The Organization has ongoing grants and contracts that will reimburse the Organization allowable expenditures for that grant or contract. The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

The Organization also has investments of \$240,683 and \$267,850, as of December 31, 2018 and 2017, respectively, that the Organization can draw on to help pay for expenditures. See note 4.

Olympic Community Action Program is currently working with a bank in refinancing and consolidation of four loans that will mature in 2019. This is expected to be completed in September 2019. See note 6.

Allocation of Indirect Costs:

The financial statements report certain categories of expenses that are attributable to one or more programs or supporting functions of the Organization. Payroll and related costs are allocated based on time spent on each function. Other expenses have been allocated among program and supporting service classifications on the basis of estimates made by the Organization's management based on the benefits derived. The Organization allocates expenses to the following programs:

Long-Term Care - The goal of the Long-Term Care programs is to provide services that enable elderly and disabled individuals to continue to live in their homes if they so choose and to prevent premature placement in a more institutionalized setting such as a nursing home.

Early Childhood - The goal of the Early Childhood programs is to provide opportunities for the healthy growth and development of children, parent education, and family support services for families of children enrolled in the program.

Housing - The goal of the Housing program is to provide a continuum of housing opportunities and to maintain affordable and safe housing.

Community Support - The goal of the Community Support program is to provide a broad range of services and support programs to address food and nutrition, health care, dental services and emergency needs of low-income residents and to support the local communities through the operation of community centers and provisions of volunteer resources.

OLYMPIC COMMUNITY ACTION PROGRAMS

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Year Ended December 31, 2018

NOTE 1: NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions. These affect the reported amounts of assets, liabilities, revenues, and expenses, as well as the disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Cash and cash equivalents:

The Organization considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents.

Accounts receivable:

Trade accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of individual accounts. Balances still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to trade accounts receivable. Management determined valuation allowance of approximately \$0 at December 31, 2018 and 2017, respectively. Accounts are considered past due if not collected within 90 days. The Organization does not charge interest on past due accounts. As of December 31, 2018, all accounts receivable are current. Bad debts incurred during the years ended December 31, 2018 and 2017, were \$5,146 and \$14,081, respectively.

Promises to give:

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be received in future years are recorded at the present value of their estimated future cash flows. Conditional promises to give are not included as support until any conditions are substantially met. All promises to give are due within one year.

Property and equipment:

Property and equipment are recorded at cost or, if acquired as a donation, at the estimated fair value at the date donated. Depreciation is computed utilizing the straight-line method and the following estimated useful lives:

Buildings	5-50 years
Equipment and furnishings	5 years
Vehicles	5 years
Leasehold improvements	shorter of remaining useful life, or lease term

The Organization capitalizes new assets and expenditures that extend the productive life of an asset costing over \$5,000. Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of equipment are sold or are otherwise disposed of, the appropriate cost and related accumulated depreciation amounts are removed from the accounts, and any gain or loss is included in income.

Deferred revenue:

Deferred revenue is recognized for program (grant) advances received by The Organization that are in excess of current grant expenditures. Such amounts are restricted funds and as such can only be maintained and used in accordance with the respective grant contracts.

OLYMPIC COMMUNITY ACTION PROGRAMS

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Year Ended December 31, 2018

NOTE 1: NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recognition of contribution revenue:

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, with donor restriction net assets are reclassified to without donor restriction net assets and are reported in the statement of activities and changes in net assets as net assets released from restrictions.

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the assets are to be used. Gifts of cash or other assets that must be used to acquire long-lived assets are reported as with donor restrictions support. Absent explicit donor stipulations about how those long-lived assets must be maintained, The Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

If the restrictions on restricted contributions are met in the same year the gift is received, it is The Organization's policy to report the contribution as without donor restrictions on the statement of activities and changes in net assets.

Indirect Expenses:

Management and general expenses are allocated to programs based on a negotiated provisional federal indirect cost rate agreement. Any necessary adjustments based on the final approved rate are recorded in the year the adjustments become known. No such adjustments were realized in the years ended December 31, 2018 and 2017.

Advertising Costs:

The costs of advertising are expensed as incurred.

Collective Bargaining:

For the years ended December 31, 2018 and 2017, approximately 20% and 26%, respectively, of the Organization's employees were covered under a collective bargaining agreement with the Office and Professional Employees International Union Local 8.

Concentration of Credit Risk:

The Organization receives revenue from federal, state, county and municipal governments. For the years ended December 31, 2018 and 2017, over 81% and 80%, respectively, of total support and revenues came from government grants. It is reasonably possible that in the near term some programs could cease, which would cause a severe impact on the Organization. However, the Organization does not expect that the support from any of the government grants will be lost in the near term.

NOTE 2: CONTRIBUTED LAND AND FACILITIES USE RECEIVABLES

In May 2002, the Organization received a use of land contribution from the Community United Methodist Church in the form of a seventy-five year lease at \$1 a year for the use of the land on which the Village was developed. Development began on the Village in 2004 and was completed in 2005. The value of the contribution, through the terms of the agreement, is recorded at the estimated present value and shown as a receivable and with donor restrictions net asset. The discount rate used to calculate the present value at December 31, 2018 and 2017, was 4%.

OLYMPIC COMMUNITY ACTION PROGRAMS

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Year Ended December 31, 2018

NOTE 2: CONTRIBUTED LAND AND FACILITIES USE RECEIVABLES (Continued)

The Organization has entered into several lease agreements with various entities that contain rates lower than the fair market value of the leased spaces. The difference between the fair market value and the actual lease expense paid for the entire lease period is recorded at the estimated present value and shown as a receivable and temporarily restricted net asset. The carrying value of land and facilities use receivables associated with these leases totaled \$183,075 and \$237,215, respectively, at December 31, 2018 and 2017, net of a present value discount of \$10,709 and \$13,778.

NOTE 3: PROPERTY AND EQUIPMENT

Property and equipment consist of the following at December 31, 2018:

Buildings and improvements	\$	6,884,474

NOTE 4: INVESTMENTS AND FAIR VALUE MEASUREMENTS (Continued)

Fair Value Measurements provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2: Inputs to valuation methodology include:

- A. Quoted prices for similar assets or liabilities in active markets.
- B. Quoted prices for identical or similar assets or liabilities in inactive markets.
- C. Inputs other than quoted prices that are observable for the asset or liability.
- D. Inputs that are principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018.

Seattle Foundation: The fair value of the Organization's interest in the fund is based on a percentage interest in the funds fair value as represented by the fund's management.

Common Stock: Valued at stock price per shares held by the Organization at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value as of December 31, 2018:

NOTE 5: IN-KIND CONTRIBUTIONS

A substantial number of unpaid volunteers have made significant contributions of their time in furtherance of the Organization's programs. The value of this contributed time is not included in the accompanying consolidated financial statements as it does not meet the criteria for contributed services in accordance with GAAP. Management has estimated the fair value of these services at \$242,603 and \$317,174 for the years ended December 31, 2018 and 2017, respectively.

NOTE 6: NOTES PAYABLE (Continued)

Olycap is in the process of refinancing \$1,100,000 of long-term debt that has been held by First Federal Bank. These loans were set to expire at the end of January 2019. Currently, First Federal has granted an extension until September 20, 2019 while work to restructure the debt is concluded. Currently, this involves loan consolidation from four loans to two and elimination of cross collateralization of debt on Olycap properties. The loan to value ratio on this debt for Olycap is at 62% based on real estate appraisals concluded in November 2018.

The new loans are anticipated to be 10 year commercial loans, an improvement over the previous 5 year term.

NOTE 7: WITH DONOR RESTRICTION NET ASSETS

With donor restriction net assets consisted of the following at December 31, 2018:

Haines Street Cottages	\$ 323,429
South Seven Senior Housing	1,527,602
Contributed Land Use (Note 2)	183,075
Senior Services (Note 4)	222,161
Program Services	<u>706,887</u>
With Donor Restriction Net Assets	<u>\$ 2,963,154</u>

With donor restriction net assets as of December 31, 2017, were \$2,975,867.

Haines Street Cottages – The Organization was awarded a State of Washington Department of Commerce grant in 1996 totaling \$567,426 to be used for the acquisition and renovation of low-income apartments in Port Townsend. Acquisition and renovation costs of \$470,461 were capitalized during 1996, and renovation costs capitalized during the year ended December 31, 1997 totaled \$109,200, for a final cost of \$579,661. The grant includes covenants that limit the use of the project to households at or below 50% of the Jefferson County median income for a period of 50 years. If the property is sold, refinanced, or its use changes prior to the end of the 50 year grant period, the grant plus shared appreciation shall be due and payable within 30 days. Haines Street Cottages are currently used as part of the Organization’s Emergency Shelter Program and thus its units are not regularly held out for lease. Management believes that no refund to the State will be required. Thus, the grant has been recorded as with with donor restriction net assets and is being released from restriction ratably over the 50 year term of the grant and loan agreement, which will end in 2047.

South Seven Senior Housing – The Organization entered into several agreements to develop a 15 unit senior low-income housing facility, as described below. If the property is sold, refinanced, or its use changes prior to the end of the retention period, an amount equal to the full amount of the direct subsidies must be repaid. Management believes that no refunds will be required. Thus, the subsidies have been recorded as with donor restriction net assets and are being released from restriction ratably over the 40 years, which will end in years ranging from 2042 to 2047.

NOTE 7: TEMPORARILY RESTRICTED NET ASSETS (Continued)

Net assets released from donor restrictions during 2018 by incurring expenses satisfying the restricted purposes or by the passage of time as follows:

Time Restrictions on Long-Lived Assets	\$	68,268
Program Services		<u>221,242</u>
	\$	<u><u>289,510</u></u>

Net assets released from donor restrictions during 2017 by incurring expenses satisfying the restricted purposes or by the passage of time was \$592,111.

NOTE 8: CONTINGENCIES

Under the terms of federal and state grants, periodic audits are required and certain costs may be questioned as not being appropriate expenditures under the terms of the grants. Such audits could lead to reimbursement to the grantor agencies. Any disallowed claims, including amounts already collected, would become a liability of the Organization if so determined in the future. It is management's belief that no material amounts received or receivable will be required to be returned in the future.

NOTE 9: LEASE COMMITMENTS

Operating Leases - The Organization leases the Armory Square in Port Angeles. In addition, the Organization leases building space at various sites. Many of those leases are on a month-to-month or an annual renewal basis. The Organization also leases various equipment and vehicles that are classified as operating leases.

The following is a schedule of future minimum rental payments under the above operating leases.

2019	\$	77,733
2020		68,147
2021		59,421
2022		59,421
2023		<u>59,421</u>
	\$	<u><u>324,143</u></u>

Total rent expense for the years ended December 31, 2018 and 2017, was \$143,424 and \$129,322, respectively.

NOTE 10: EMPLOYEE BENEFITS AND COMPENSATED ABSENCES

The Organization has a Simplified Employee Pension Plan (SEP) for all eligible non-bargaining unit employees. An eligible employee is one who meets an earnings test in the current year and worked at least one hour in two of the previous five years. Employees are 100% vested in their accounts at all times. Contributions are determined by the Board of Directors. Contributions for the years ended December 31, 2018 and 2017, amounted to \$77,564 and \$72,819, respectively.

NOTE 11: SUBSEQUENT EVENTS

Olycap is in the process of refinancing \$1,100,000 of long-term debt that has been held by First Federal Bank. These loans were set to expire at the end of January 2019. Currently, First Federal has granted an extension until September 20, 2019 while work to restructure the debt is concluded.

No events have occurred through August 15, 2019 except as noted above, which is the date the financial statements were available to be issued based on client facts and circumstances, for events requiring recording or disclosure in the financial statements for the year ended December 31, 2018.

NOTE 12: UNCERTAIN TAX POSITIONS

The Organization is a non-profit corporation exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is not classified as a private foundation. The Organization has limited unrelated business income that is subject to tax and whose liability is not material to the financial statements. Therefore, no provision for income taxes has been made in these financial statements.

The Organization files income tax returns in the U.S. federal jurisdiction. The Organization is no longer subject to U.S. federal income tax examinations by tax authorities for years before 2015. Currently, there is no examination or pending examination with the Internal Revenue Service (IRS).

As of December 31, 2018, there are no tax positions for which the deductibility is certain but for which there is uncertainty regarding the timing of such deductibility.

NOTE 13: CHANGE IN PRESENTATION

The Organization adopted Accounting Standards Update 2016-14 (ASU 2016-14) during the year ended December 31, 2018. ASU 2016-14 requires net assets to be presented as 'without donor restrictions' and 'with donor restrictions' on the statement of financial position. Also on the statement of activities, the columns will be labeled as 'without donor restrictions' and 'with donor restrictions'. Prior to adoption, the net assets on the statement of financial position were presented as unrestricted, temporarily restricted, and permanently restricted. Also on the statement of activities, the columns were also labeled as unrestricted, temporarily restricted, and permanently restricted. There was no changes in the net asset classes and there was no reclassifications.

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
Year Ended December 31, 2018

No prior year findings.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Olympic Community Action Programs
Port Townsend, WA

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Olympic Community Action Programs (a nonprofit organization), which comprise the statement of financial position as of December 31, 2018, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related consolidated notes to the financial statements, and have issued our report thereon dated August 15, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

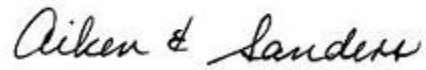

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM
GUIDANCE**

To the Board of Directors
Olympic Community Action Programs
Port Townsend, WA

Report on Compliance for Each Major Federal Program

We have audited the Olympic Community Action Programs (Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2018. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Project's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2018.

Report on Internal Control over Compliance

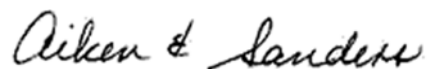

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the

auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
