Send 1) application, 2) Letter of Verification from Academic Director, 3) essay* and 4) letters of recommendation from your M.T. supervisor and a person of your choice to the above address. Email preferred. A recording of your music skills may be submitted (electronic or other medium) in lieu of an onsite visit. A state-mandated, agency-funded criminal background check will be required at the onset of training.

Encore! Adult Day Center is a creative arts-based program in a rural community near the north westernmost point in the U. S. that offers supervised services to older adults and their caregivers coping with a variety of physical and behavioral health issues. The center's Arts & Minds Memory Wellness program is a therapeutic component for those concerned with early memory loss.

*Briefly describe (1) yourself, (2) your music therapy philosophy, (3) your musical skills, and (4) what motivates you to be a music therapist. 5) Also include examples of three Music Therapy goals and related objectives for a geriatric population.
